

Western Region Conference
February 28th, 2026
Alex, OK

We will be hosting the annual Western Region Conference on February 28th, 2026, at Alex High School. We will have 22 middle school events and 17 high school. If you would like to help judge an event, please contact Valerie McCauley or Paul Wollenberg as soon as possible.

For all events, we will not be having the semi-finalist portion, and any modifications will be posted under the event description. We ask that all events that are normally submitted digitally be printed out to make judging easier. For testing events, team tests will be taken together. Please make sure your students come together to take the test and clearly mark their school, name, and team number on the answer key. (For example, Alex Team-2) We opened up the number of testing entries to allow for more participation but, we will only allow the top two from each school to place. For example, If Alex Middle School had the top five scores, we would only take two, then move on to the school with the next highest scores.

For all of the speaking events, we ask that you please be as accurate as possible when registering. Last year we had a lot of school register 5 students but only 1-2 students actually show up. This makes it very difficult for us to find judges and time the events correctly. Our hope is to always wrap judging up and get schools out in a timely manner. If you must leave before the awards, please make arrangements with another school to pick up your medals. We will not be shipping them to you after the conference.

Registration will be \$10, and a full concession for breakfast and lunch will be available for students. A hospitality room will be available for advisors and judges. Registration will close February 20th, 2026.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
