Oklahoma TSA Grievance Procedure

The Oklahoma TSA State Advisor will officially recognize only those grievances filed by the chapter advisor or the person in charge of a school delegation. A grievance will be considered in the following manner:

- The chapter advisor will file a written request describing the rule violation.
- The grievance form must be signed by the chapter advisor and filed with the State TSA Advisor the day of the competition.
- The grievance form must be turned in at the judge's check in area with a CareerTech employee.
- No action will be taken until the State TSA Advisor has consulted with the TSA Rules Interpretation Panel.
- A response from the State TSA Advisor will be sent in written form to the advisor within 30 days.

The decisions of the Rules Interpretation Panel (RIP) at the state conference are final.
