

## STATESMAN AWARD REQUIREMENTS

### The TSA Motto

Learning to lead in a technical world.

### TSA Colors and Meanings

Red – represents the strength and determination of the technology education students and teachers to obtain their goal.

White – represents high standards, morals, and religious beliefs.

Blue – represents the sincerity of the technology education students and teachers in obtaining a greater knowledge of our technical world.

### TSA Creed

- I believe that Technology Education holds an important place in my life in the technical world. I believe there is a need for the development of good attitudes concerning work, tools, materials, experimentation, and processes of industry.
- Guided by my teachers, artisans from industry, and my own initiative, I will strive to do my best in making my school, community, state and nation better places in which to live.
- I will accept the responsibilities that are mine. I will accept the theories that are supported by proper evidence. I will explore on my own for safer, more effective methods of working and living.
- I will strive to develop a cooperative attitude and will exercise tact and respect for other individuals. Through the work of my hands and mind, I will express my ideas to the best of my ability.
- I will make it my goal to do better each day the task before me, and to be steadfast in my belief in my God and my fellow Americans.
