Message from the State President

Hello OKTSA! On behalf of the Oklahoma State Officer team, I am excited to invite you to the 2026 State Conference filled with diverse opportunities to learn, compete, and connect.

As this is my senior year, this conference holds special meaning for me. Over the past four years, TSA has shaped my growth, challenged me, and connected me to an incredible community of students and leaders. My hope for each of you is that you look beyond the competitions and recognize the friendships formed along the way, embracing the idea of unity through community.

This year's events reflect the dedication, creativity, and hard work of TSA members from across the state. As you prepare to compete, collaborate, and connect, I encourage you to challenge yourself, support one another, and take full advantage of every experience.

I look forward to sharing this meaningful conference with you as we continue building a stronger future for technology and leadership in Oklahoma.

Bella Dietrich
OKTSA State President

Message from the State Advisor

Greetings Oklahoma TSA! I am excited to invite you to this year's State Leadership Conference, centered on our theme, *Unity Through Community*. This conference is a celebration of collaboration, leadership, and the shared commitment that brings our TSA members together across the state. It is an exciting time to be part of TSA in Oklahoma, as our membership continues to grow and our community becomes stronger each year. Your involvement in TSA reflects a dedication not only to innovation and technical skill, but also to supporting one another as a united and expanding community. As Oklahoma TSA continues to grow, members can look forward to new opportunities, fresh experiences, and exciting changes in the years ahead.

The State Leadership Conference highlights what we can accomplish when we learn, compete, and lead together. As you participate in competitive events, take time to collaborate, exchange ideas, and build meaningful connections with fellow members. These relationships strengthen our TSA community and help prepare you for future success in both your careers and leadership journeys.

A heartfelt thank you goes out to our TSA advisors and the many volunteers who have stepped forward to coordinate events. Your time, dedication, and commitment behind the scenes make this conference possible. The opportunities our students experience at the State Leadership Conference are a direct result of your leadership, support, and willingness to serve our TSA community.

See you in April!

Tami Redus
TSA State Advisor

General Conference Information

The Technology Student Association (TSA) is a Career and Technical Student Organization (CTSO) for students involved in science, technology, engineering, and mathematics (STEM). Oklahoma TSA hosts an annual State Leadership Conference for members across the state. This conference brings together student members with industry, postsecondary, and community leaders to showcase technical skills and leadership development. The event includes competitive events, social activities, and a recognition ceremony.

Conference Checklist

Please confer with your administrators for any school district or school specific procedures.

- Review and follow all important dates and deadlines outlined in the Conference Guide
- Submit required school district field trip paperwork.
- Determine the total cost of attendance for your chapter, including registration, lodging, meals, and related expenses.
- Coordinate money collection procedures with your school's bookkeeper.
- Establish chapter-level deadlines for registration and payment.
- Prepare permission slips that include conference details, costs, and all required forms.
- Select two (2) voting delegates to participate in the state officer election.
- Register all members, advisors, and support staff by the designated registration deadline.
- Print the emailed invoice and carefully review it for accuracy.
- Collect member payments prior to the registration deadline.
- Submit the invoice to your school's bookkeeper for processing.
- Complete payment by credit card or mail a check to Oklahoma TSA by the payment deadline.
- Review the tentative conference agenda with attending members.
- Host a chapter meeting with parents to discuss expectations and responsibilities.
- Ensure each attendee has signed a multiple release form and that copies are maintained by the chapter advisor.
- Complete the Statement of Assurance and submit it with registration (uploaded through the registration site).
- Encourage all members to follow and engage with Oklahoma TSA on social media platforms.
- Discuss the National TSA Conference with members so they are prepared should they qualify.

Best Practices from Experienced Advisors

- Hold a parental meeting prior to the conference to clearly outline expectations and consequences.
- Create a behavioral contract with clear expectations for both members and parents to review and sign.
- Collect parent phone numbers and emergency contact information in advance.
- Collect a deposit from students who commit to attending, especially if fundraising is still in progress.
- Focus on quality over quantity; registering each student for one to three competitive events is generally the most effective approach.
- Ensure students have a balanced mix of event types, including team and individual events, as well as early and on-site competitions.
- Support students in developing their individual schedules so they feel prepared and confident.
- Establish your advisor schedule and clearly communicate it to all attendees.
- Set up a group communication platform (e.g., GroupMe or Remind) to share information quickly with attendees.
- Hold a daily chapter meeting to check in with students and provide updates.
- Ensure students have structured activities throughout the conference, including required attendance at general sessions and business meetings.
- Set clear behavioral expectations well in advance of the conference.
- Ensure students can always access an advisor.

National/State Service Project

TSA is pleased to announce its new national service project partner - the American Red Cross.

The Red Cross prepares for and responds to local, state, national, and international emergencies. Partnering with the Red Cross provides a unique opportunity for TSA members to apply their leadership, organizational, and STEM skills to help the Red Cross make a real difference in communities – through efforts to support disaster relief, promote health and safety, and help those in need.

Learn more about the American Red Cross and its worldwide work through the Red Cross managed informational links below. Please note that not all Red Cross volunteer efforts are applicable for TSA chapter involvement; some require that volunteers be 18 years old or older. Also, state level Red Cross coordinators found under the heading [Find a Red Cross Chapter Near You](#) may not yet be informed by the Red Cross about its new partnership with TSA.

Community Service Opportunities

MIRACLE MINUTE

Take part in the Miracle Minute by bringing cash or change to donate during the Opening General Session. All money will be donated to our state service project, the American Red Cross.

TSA NIGHT AT THE MAIN EVENT

Join us for a fun and relaxed evening at TSA Night at Main Event, conveniently located within walking distance of the Embassy. This event will be available as an add-on option during conference registration. For \$25 per person, attendees will enjoy four hours of entertainment, including unlimited bowling, laser tag, billiards, and shuffleboard. The evening also includes a \$20 FUNCARD, two slices of pizza, AND unlimited soft drinks.

Best of all, 20% of all purchases made that evening will be donated to the American Red Cross, allowing TSA members to have fun while giving back to the community. This event runs from 6:00–10:00 PM and provides an affordable, easy evening option during the conference.

National Awards

The Technology Student Association awards and recognition programs are designed to highlight the achievements and contributions of TSA members and others who support the organization. ***Criteria, forms, and instructions can be accessed by affiliated chapter advisors via TSA's membership system and by affiliated student members via the Student Member Site under the Total TSA tab.***

National Technical Honor Society

Founded in 1984, the National Technical Honor Society (NTHS) is the honor society for Career and Technical Education (CTE), recognizing student achievement and providing opportunities for career development, leadership, service, and scholarships. In partnership with the Technology Student Association (TSA), NTHS extends these benefits to TSA members nationwide.

TSA students must be nominated for NTHS membership by their school's NTHS chapter advisor. Students are eligible to apply for the scholarship if they are current members of both TSA and NTHS. Scholarship applications are available through the TSA Membership System and must be submitted to general@tsaweb.org.

Learn more about NTHS, chapter eligibility, and how to establish a chapter at NTHS.org.

TSA Achievement Program, Pathways to Excellence

The TSA Achievement Program, Pathways to Excellence encourages TSA student members to engage in the areas/categories of service leadership, STEM immersion, and personal/professional development. Students participate in activities in these areas and can earn sequentially a bronze, silver, and gold award at the local, state, and national level, respectively.

Oklahoma Awards

Oklahoma Hall of Fame

The Hall of Fame award was established in 1988 to formally recognize individuals that have helped define and advance the mission of Oklahoma TSA. Induction into the Hall of Fame is considered a prestigious honor. TSA members and/or advisors can nominate an individual from one of the three categories: advisor, administration, alumni. Nomination forms can be found at <https://www.oktsa.org/hall-of-fame>

Chapter of Excellence

The Chapter of Excellence Award recognizes chapters that have demonstrated they are a successful and quality chapter through affiliation, membership, chapter management, community service, leadership, conference attendance, national service project participation and promotion. Chapters will earn different levels of recognition based on the total activities completed in the membership year. Chapters must apply each year.

For more information on the application process and to print a scoring rubric visit <https://www.oktsa.org/outstanding-chapter>

Chapter Advisor of the Year

Students are encouraged to submit the name of their chapter advisor to the state office for the Annual Advisor of the Year award. The honoree is recognized at the state conference and then again at the National Conference for their outstanding work with TSA.

Oklahoma Degree Program

OPEN TO MIDDLE AND HIGH SCHOOL STUDENTS

I. PURPOSE

The Oklahoma TSA Degree program recognizes TSA members who excel in knowledge of the Organization, its foundation, and its history. Those members fulfilling the requirements of the Senatorial and Presidential degree will be recognized at the annual State Conference.

II. ELIGIBILITY FOR ENTRY

This event is open to all High School and Middle School TSA members.

1. Senatorial Degree Requirements:

Frequently Asked Questions

Q: Who can I contact with questions?

For general questions about the conference:

- [Tami Redus, State Advisor](#)

For competition questions:

- Please email the event coordinator or event manager listed on the [competitive event information](#) pages

Q: What does the registration fee cover?

In order to provide a well-organized and comprehensive conference, we must charge a registration fee. Hosting an in-person conference costs OKTSA about \$100,000 to put on. Conference costs include, but are not limited to, meeting spaces, A/V, conference management system, event supplies, awards, merchandise, judges gifts, conference staff lodging, and food and beverage for conference staff and volunteer judges. If you have ideas on how to offset the cost of State Leadership Conference, please contact tami.redus@careertech.ok.gov

Q: When trying to register, it says “Membership Unsubmitted” next to my students’ names. How do I fix this?

Students must be affiliated to attend State Leadership Conference. Only affiliated members populate in the registration system. You will need to log on to the [TSA Membership System](#), check the boxes next to your students’ names, click Submit.

Q: Where can I find the eligibility for each event?

The [Competitive Event Information](#) page has an eligibility chart that explains how many entries per chapter are allowed to compete at the State Conference for each competitive event. To find how many members are allowed per team, please refer to the eligibility section of each competitive event guideline located in the National TSA Competitive Events Guide.

Q: Where can I find the competitive event guidelines and rubrics?

The National TSA Competitive Events Guide is in the [TSA Membership System](#). Follow this path: www.tsaweb.org > Join/Login > Total TSA > Competitions.

Q: I would like to be more involved with State Leadership Conference. What can I do to help?

If you are interested in assisting with State Leadership Conference, please contact Tami Redus at tami.redus@careertech.ok.gov

Q: What conference city and state do we use for the cover page in the portfolio?

For the Oklahoma State Leadership Conference, use Norman, OK and April 14-16, 2026.
